Division of Budgets

Subject: Request for Funds Electronic Submission for Capital Outlay Allocations

In an effort to streamline and improve Capital Outlay Allocation Request for Funds/Funds Request (FR) and ensure timely resolution of issues, we are implementing a new electronic submission process. Rather than direct the FRs to a specific person in the Division of Budgets (Budgets), we respectfully request the Districts to transmit FRs in an electronic format to group e-mail accounts.

## New Policy

To simplify the FR submission, Budgets has created three group e-mail accounts for receiving FRs in electronic format. The three group e-mail accounts are as follows:

- 1) Emergency – G-11, G-12
- 2) State Highway Operations Protection Program (SHOPP)
- 3) State Transportation Improvement Program (STIP).

These group e-mail accounts will standardize the method of delivery for all Districts by providing a consistent point of contact. In addition, the group e-mail accounts will have the capacity to immediately forward FRs to pertinent contacts, speed up communication, create one electronic record, and eliminate duplicate FRs submissions.

Effective August 31, 2006, Budgets will only accept electronic FRs to the group e-mail addresses listed as follows:

[G-11/G-12 -Funds Request/HQ/Caltrans/CA/Gov](mailto:G-11/G-12-FundsRequest/HQ/Caltrans/CA/Gov)  
[SHOPP-Funds Request/HQ/Caltrans/CA/Gov](mailto:SHOPP-FundsRequest/HQ/Caltrans/CA/Gov)  
[STIP-Funds Request/HQ/Caltrans/CA/Gov](mailto:STIP-FundsRequest/HQ/Caltrans/CA/Gov)

Detailed instructions for electronic FRs submissions are attached, and can also be found on the Budgets Intranet site.
